

# PRACTICE POSTERS

## Practice Research

37. Can 1st year MPharm students be taught to use the RPSGB Continuing Professional Development framework?  
J.E. Dyke and W.K. Gidman
38. Has OTC availability of chloramphenicol eye drops increased use and bacterial resistance?  
A.L. Hinchliffe and R. Walker
39. First year undergraduate pharmacy students' career, salary and lifestyle expectations  
W.K. Gidman, D. Wright and D. Houston
40. Developing the public health function of locum pharmacists under the auspices of the new pharmacy contract  
J. Bush, C.A. Langley, J.K. Jesson and K.A. Wilson
41. 'It's showed me the skills that he has': Pharmacists' and mentors' views on pharmacist supplementary prescribing  
F. Lloyd and C.M. Hughes
42. Characterisation and Evaluation of UK Websites Relating to Cystic Fibrosis Using a Standardised Tool  
I.J. Macdonald, G. Akram, A.H. Thomson and A.C. Boyter
43. Examining patient safety climate in the hospital pharmacy setting: A cross sectional survey  
S.D. Williams and D.M. Ashcroft
44. Job satisfaction of pharmacists: A critical appraisal of existing tools  
J. Ferguson, K. Hassell and D. Ashcroft
45. A qualitative study of the views of pharmacists, facilitators and portfolio assessors during the implementation of a Continuing Professional Development (CPD) portfolio system  
S.L. Haughey, C.M. Hughes, C.G. Adair and H.M. Bell
46. Community pharmacy as a source of public health advice – views of the public  
C.W. Morecroft and J. Krska
47. An Investigation into cost effective patient benefits in the prescribing of combination products for the treatment of asthma and Chronic Obstructive Pulmonary Disease (COPD) with reference to current national and local Guidelines in a PCT in northwest England  
L. Brien, I. Cubbin and A. MacAlavey
48. A review of the implementation of Medicines Use Reviews in Hertfordshire: Findings of surveys conducted in 2006 and 2008  
E.K. Rosenbloom and J. Graham
49. Pharmacists' experiences of the first season of non-prescription availability of oseltamivir in New Zealand  
N. Gauld, F. Kelly and J. Shaw
50. Predictors of self-care activities in patients with type 2 diabetes  
A. Jarab, C. Hughes, J. Andrews, G. Hutchinson, A. Reynolds and J. McElnay

51. New recruits to the profession want opportunities to provide new services and utilise their clinical skills  
M. Eden, El Schafheutle and K. Hassell
52. What do community pharmacists know about revalidation and how do they feel about it?  
H. Potter, K. Hassell and P. Noyce
53. The employment choices and work experiences of white and minority ethnic women pharmacists: Preliminary findings from qualitative research  
K.A. Rowe and K. Hassell
54. Economic evaluation of pharmaceutical care for nursing home residents (Fleetwood NI model)  
S.M. Patterson, G.E. Crealey, C. Cardwell and C.M. Hughes
55. Development of an economic model to predict the costs of a pharmaceutical care service for nursing home resident  
S.M. Patterson, G.E. Crealey and C.M. Hughes
56. The Use of Lumiracoxib in General Practice in England: Results of a Modified Prescription-Event Monitoring study  
D. Layton, V. Marshall and S. Shakir
57. Health professionals' beliefs about medication prescribed for bipolar disorder and adherence  
J. Clatworthy, R. Bowskill, J. Cooke, R. Parham, T. Rank, P. Leseve and R. Horne
58. A systematic review of the causes of and factors associated with prescribing errors  
M.P. Tully, P.J. Lewis, D. Ashcroft, D. Taylor, V. Wass and T. Dornan
59. Scottish pharmacists' views, experiences and attitudes towards the branches of the Royal Pharmaceutical Society of Great Britain and their functions  
T. McIntosh, D. Stewart, D. McCaig and H.L. Diack
60. Humanistic and economic outcomes of a disease and medicine management programme for patients with COPD  
M. Al-khdour, B. McCourt, J. Kidney, G.E. Crealey and J.C. McElnay

### **Practice Development and Audit**

61. Meeting the need for medication review – involving GPs and nurses  
D. Hansford, J. Krska and D. Gill
62. A survey of the use and misuse of intravenous cannulae in a major tertiary teaching hospital in Scotland  
Y. Kumarasamy, N. KinKade, J. Kelly, C. McGoldrick, I. Tonna, R.B.S. Laing, U. Jayaram and F. Notman
63. A survey of the use, views and attitudes towards complementary and alternative medicines (CAMs) in patients with long term fatigue  
Y. Kumarasamy, A. Mackenzie, C. McGoldrick, I. Tonna, C. Robb, L. Young, R.B.S. Laing, F. Notman and U. Jayaram

64. Dispensing incidents in hospital: An exploratory study of labeling mistakes  
B.P. Anto, D. Barlow, C.A. Osborne, C. Tam, A. Gass, A. Vlassoff and C. Whittlesea
65. A retrospective evaluation of the relative incidence of adverse effects of recommended antihypertensive drugs – are there differences within the same therapeutic class?  
W. Baqir
66. Improving DMARD monitoring in primary care – a patient safety audit  
A.M. Bourke and W. Baqir
67. Reducing cardiovascular risk in Diabetic patients through auditing statin and antiplatelet use  
W. Baqir, B. Duncan, A. Husband and R. Bridgewater
68. Development of a novel comparator for monitoring statin prescribing in primary care  
H. Elliott, C. Tibbitts, K. Wood and M. DasGupta
69. An audit to determine to what extent GP surgeries in Hertfordshire adhered to the National Patient Safety Agency guidelines on oral anticoagulant management  
O. Otesile and E.K. Rosenbloom
70. An investigation into G.P. compliance with local guidelines for the management of infection control aiming to reduce the risk of antibiotic resistance, improving quality of life  
T. Sweeney, I.J. Cubbin and A. MacAlavey
71. Label design for different strength morphine sulphate injections to reduce the risk of administration error  
Y.T. Liu, P. Tunstell and B. Forbes
72. Validation of protocols used to clean manufacturing equipment in an NHS manufacturing facility  
O. El Hannani, O. Rabiou and B. Forbes
